Horace Mann School is a K-6 elementary school nestled in St. Paul's Highland Park community and is known for academic excellence & total personal development focused on individual students. As a learning community where high expectations for every child are nurtured in a caring and supportive environment -- the school is highly respected for its exceptional teaching staff, its diversity, a gifted and talented program of distinction, test scores among the highest in the district, and many academic enrichment opportunities. Horace Mann is a welcoming, friendly, caring, and safe environment for learning and enjoys the enthusiastic support of committed families who participate in a myriad of volunteer activities on behalf of the school.
